

citrus
INSPIRATION

A bright citrus color palette is complemented by generous bouquets of peonies, roses, double tulips and sweet peas at this outdoor styled shoot on Tybee Island.

THIS STYLED SHOOT WAS ALL ABOUT BRIGHT COLORS AND CITRUS ACCENTS. THE EXISTING CITRUS TREE IN THE BACKYARD OF THE VENUE SERVED AS INSPIRATION TO CREATE A WELCOMING ENVIRONMENT TO SHOWCASE THE PROPERTIES' POTENTIAL TO FUTURE BRIDES.

The Planner & Stylist Says...

When designing this shoot, we focused on bold, vibrant colors and added citrus elements to play off the bright beach-like vibe. The mixture of oranges, lemons, grapefruit, limes and pomegranates added an extra element of pizzazz to the tablescape and made it feel so refreshing in the heat of summer.
